A note concerning the use of the dates on this page: This date summary page has been prepared to populate fields on other parts of the calendar.

Not all programs are accounted for (for instance, the Clinical Psychology PHD, 5 Year Residential PHD, and the 74.0 unit MACP program do not have columns since no new students are being admitted to these programs. The Hybrid PHD is in a single column on the Academic Calendar, but Year 1 and Year 2 of that program are billed at a different rate from Years 3-5.

Continuation and Completion tuition is due on the same schedule as the rest of the program in which the student is matriculating.

See the annual tuition memo for details about the tuition schedule for all active programs.

Degrees are posted with a date of the last day of the regular quarter in which the requirements are completed.
