

Transfer of Credit Policies and Articulation Agreement

Sofia University evaluates transfer of credits on a case---by---case basis upon request by the student. Course length, content, and provider are evaluated, among other factors, by the institution’s Admissions and Registrar’s offices.

The institution’s official policy on transfer of credit can be found in the official School Catalog in the Academic Policies section.

A paper copy of the official School Catalog is available upon request from the Admissions Office and is provided to all current students upon enrollment at the institution.
